Howland Woods.

I have heard of your Society and would like to know if you would be interested in some coll ections that I have.

I have in my possession some valuable Decorations that consist of Medals from most of all Europes Sovereigns. They were handed to me thru the death of my Father, and each one is accompanied by a document verifing their prestige and valor.

If you cannot use these articles would you be kind enough to let me know to whom I may write a collector of any such medals.

I thank you for any assistance you may give me.

I remain

Respectfully
